# OUR STORY

Today, technology cuts horizontally through every business and industry. There are more billion-dollar opportunities east of the Rockies and west of the Hudson River than everywhere else in North America combined — we're documenting the stories of building in-between and beyond.

# OUR TEAM

We're a diverse and collaborative team from unlikely backgrounds. We love a challenge, and we invest on behalf of our Limited Partners who believe that, with the right partners and a relentless work

## VIEW OUR TEAM

### CANDID CONVICTION

We're relentless because we have to be. Entrepreneurs choose to partner with Drive because they want convicted investors who will push them to be great.

Great founders don't want cheerleaders or cheap platitudes. They want honesty about what works and what doesn't. They want the best tools available for doing their life's work.

## OUR PORTFOLIO

BUILDING GREATNESS

Our companies are proving that you can build a world-class technology company anywhere. We

customers are. Build where you're strongest.
